Have you ever wanted to know...

- What Christianity is all about?
- Who Jesus Is?
- Does God exist?

If you have, then please do join us for “Christianity Explored”! It’s a friendly course that introduces Jesus Christ through talks, discussions and a study of Mark’s gospel in the Bible.

Christianity Explored is for anyone who wants to investigate Christian beliefs with a group of other people. Whether you have previous experience of Church, Christians and the Bible, or none at all, this course is for you. Everyone is welcome! We will respect your background, culture and beliefs. Tell us as little or as much about yourself as you feel comfortable

What goes on?

The course is normally run in groups of 4-8 people, and after briefly discussing the course material from the week before, there is a 20 minute talk or video on the theme for that week. Then the groups discuss any questions that have arisen, and the session is wound up after about 90 minutes. Of course, you’re welcome to stick around a bit longer for coffee, and to discuss any further issues you might have.

Is it ‘churchy’ or am I going to get preached at?

We hope not. It’s not a church service. There’s no praying, singing or clapping, and you won’t be asked to read aloud. Each session includes a talk (or video) designed to explain an aspect of Christian belief and to stimulate discussion. Hopefully you’ll find it challenging and engaging. The group leaders will facilitate discussion and try to answer questions.

Do I have to speak in the group?

Not if you don’t want to. You are welcome to come and just sit and listen

Why is this course run?

Christians count it a real privilege to explain the truth and relevance of the Christian message. We don’t have all the answers but believe that we have exciting news to share about Jesus Christ.

You can join as often as you like, it’s free and you don’t need to bring anything.
